

Thomas Tudor Tucker

CONGRESSIONAL CEMETERY

Elbridge Gerry

Moments in History

We Hold These Truths

Congressional Cemetery is the final resting place of over 50 veterans of the Revolutionary War, many of whom continued to serve their communities as congressmen and senators, or in government service.

In this *Moments in History* set we listen as members of Congress from the 21st Century tell the stories of eleven rebellious colonists from the 18th Century.
