Extract from Regulations to secure a full and correct Record of the Vital Statistics in the District of Columbia.

SECTION 4. That whenever any person shall die within the District of Columbia it shall be the duty of the physician attending such person during his or her last sickness, or of the Coroner of the District, when the case comes under his official notice, to furnish and deliver to the undertaker, or other person superintending the burial of said deceased person, a certificate, duly signed, setting forth, as far as the same may be ascertained, the name, age, color, sex, nativity, (giving State or country,) occupation, whether married or single, duration of residence in the District of Columbia, cause, date, and place of death, (giving street and number,) and duration of last sickness of such deceased person. And it shall be the duty of the undertaker, or other person in charge of the burial of such deceased person, to state in said certificate the date and place of burial, and, having signed the same, to forward it to the Registrar aforesaid within twenty-four hours after such death: *Provided*, That in case of death from infectious or contagious disease, said certificate shall be so made and forwarded within eight hours thereafter. [OVER.]
