Gooding and daughter of Mrs. Louise Garner, in the 24th year of her age.            Well done of God to halve the lot            And give her all the sweetness,            To us, the empty room and cot,            To her, the heaven's completeness.             To us, this grave; to her, the rows            The mystic palm trees spring in;            To us, the silence in the house;            To her, the choral singing.
